

Hellboy

"What is it that makes a man a man? Is it his origins, the way things start? Or is it something else, harder to describe?"

1. Name 5 things that were a part of the rituals shown in the film.
2. Who was Rasputin?
3. What are the ingredients that Hellboy made and used to fight Samael (Sam I El)?
4. What was within the protective amulet, called a reliquary, where did it come from?
5. What do you feel makes a person a person? Their origins or other aspects? Explain why you believe this way.
